Julie, its uploaded to a ftp site now <ftp://ftp.epa.gov/r8/giltedge/>, the file name is [RI\\_ReportGiltEdgeVolumell\\_Figures-Tables.pdf](#), I would right click and save to a file on your computer due to the size of the document, also here is the direct link to the pdf, sorry for the confusion, let me know if you need anything else.

Yes, I realized too. If it wouldn't be too much trouble I would like the Remedial Investigation figures on a CD. Thank you again for your help.

I just realized I sent you the feasibility study figures, sorry, I do have the remedial investigation figures on a cd, but the file will be too big to send via email, I can send you a copy of the cd with the figures if you want.

Hello Chris,

I sent an earlier message to Joy and she, I think, sent my message on to you. I am trying to get the figures to the 2008 Remedial Investigation for Gilt Edge. I can't find them on the Site Documents page, I believe they might be in a second volume to the report. If you could send them my way I'd appreciate it OR if there is an ftp site I can get on I would be glad to do so.

Thank you for your help.
